

# MATRIGEN FLUIDS

Perfect therapeutic solutions for  
more dense skin matrix

## Cell Repair

Stimulate the regenerative powers of the skin to increase vitality and boosts skin cellular repair. It contains high concentration of Ginseng extract which has a powerful anti-aging properties and adenosine to fight the signs of aging skin. It works in synergy with Camellia Sinensis and Rosa Damascena stem cells, which act as a protecting layer to prevent skin from the damaging effects of free radicals and improves skin micro-circulation, thus promoting a healthy and radiant skin. The cell repair ampoule works effectively to fight wrinkles and fine lines while restoring a youthful suppleness to the skin for a confident and revitalized glow.

## Peptide

A concentrated formulation of botanical extracts that is extremely effective to promote collagen synthesis, repair damaged skin cells, as well as to improve circulatory enhancement and strengthen skin's moisture retention abilities. It lowers the symptoms associated with loss of collagen in the skin. While, the Hydrolyzed Collagen found in the formulation boosts the collagen production and improves skin elasticity, stimulates cell regeneration and promoting healthy and youthful complexion!

Made in Korea

# MATRIGEN FLUIDS

## Moisturising

The high concentration of Aloe Barbadensis extract with its moisturizing and soothing properties has become an excellent hydrating supplement to the skin. It works well in maintaining a balance of nutrients and hydration of the skin as well as an anti-inflammatory agent, giving a radiant, smooth and healthier look. In addition, the fruit extracts from Avocado and Cornus also give a deeper moisturisation to the skin and they are also known as anti-oxidant agents which help in reduction of melanin, fight the signs of aging, and promote skin lightening. Thus, it delivers a radiant and perfect skin with prolonged use.

## Purifying

A unique and specially designed ampoule for acne-prone and oily skin to regulate excessive sebaceous secretion. With the outstanding properties of anti-microbial and anti-inflammatory from Tea Tree extract, it helps to shrink enlarged pores, soften and dissolves blackhead, whiteheads and clear clogged pores. It also reduces the excess oil and stabilizes the skin pH level. Coarse pores become significantly minimized after use.

## Brightening

Infused with the powerful natural brightening and lightening agents - Alpha Arbutin and Licorice extract, help to lighten uneven skin tone, reduces the appearance of discoloration from the sun and lighten skin pigmentation. The ampoule boosts the cell regenerating mechanism to suppress melanin formation in epidermis and dermis layer, prevents pigmentation, freckles and promotes skin luminosity. It also heals and lightens pigmentation scars, revitalizes dull area and boosts skin's natural hydrating abilities, leaving a brighter and youthful, radiant and healthy looking skin.
